"Once upon a time, in the days of magic and dragons, there was a girl named Rapunzel who had the most beautiful, shiny hair the world had ever seen. But Rapunzel's life was far from beautiful. She lived as Mael Gotel. a jealous, crafty witch who hid her deep in the forbidden forest, guarded by the huge dragon Hugo and surrounded by a fascinated glass wall. This will unravel the web of deception, bring the world to two warring kingdoms, and ultimately lead her to love the beautiful Prince Stefan. She succeeded with the help of Penelope, the least fearsome dragons! "Barbie in the image of Rapunzel shows that love and imagination can change the world..."
